

ABSTRACTS

Abstract title	Format	Presenter	Date	Time	Room
Modeling at the Heart of Simulation	Expert Panel	Willem van Meurs	14/06/2017	14:30	Mendel A
Medical Education: Scaling Up International Production and Diffusion of Virtual Medical Cases via the MedicActiv Platform	Expert Panel	Sophie Herve	15/06/2017	10:30	Amphi Weiss
Standardising Scenario Design to Meet All Educational and Technical Requirements	Expert Panel	Guillaume Alinier	15/06/2017	15:45	Amphi Weiss
Simulation as a Safety Measure for Safe High Acuity Patient Interfacility Transfers	Expert Panel	Guillaume Alinier	16/06/2017	09:00	Amphi Weiss
Workshops					
Changes in Individual Practice as a Result of Simulation Fellowships	Workshop	Tom Simpson	14/06/2017	14:30	Amphi Delmas
How using Your Smartphone as a Video Learning Tool for a Simulation	Workshop	Alexandre Waquier	14/06/2017	16:00	Sim Centre Room 2
Enhancing Your Debrief- A Recap on High End Communication Tools	Workshop	Leonie Williams	14/06/2017	16:00	De Broglie B
The Art of Multi-Disciplinary Simulation	Workshop	Lorena Valdearenas	14/06/2017	16:00	Mendel C
Virtual Simulation Co-Design: Results & Hands-On	Workshop	Christine Lebreton	14/06/2017	16:45	Sim Centre Room 2
Introducing the Messiness of Real Life: Utilising Complexity Theory into Simulation Instructional Design and Research	Workshop	Gerard Gormley	15/06/2017	10:30	Mendel C
Feeling Real: How Harnessing Emotions Can Enhance Simulation Training	Workshop	Gregoire Billon	15/06/2017	10:30	Mendel A
Review of a New Scenario Template to Standardise the Documentation of Educational and Technical Requirements	Workshop	Guillaume Alinier	15/06/2017	10:30	De Broglie D
Determining Simulation's Return on Investment through Rigorous Outcome and Financial Analysis	Workshop	John Vozenilek	15/06/2017	10:30	Mendel B
Scenario Design An Essential Aspect of Simulation-Based Education	Workshop	Marc Lazarovici	15/06/2017	10:30	De Broglie C
Thinking Qualitatively About Educational Research	Workshop	Walter Eppich	15/06/2017	10:30	De Broglie B
Behind the screens: Students in Advanced Simulation	Workshop	Anne Mielke	15/06/2017	13:45	De Broglie D
Advances in Simulation Journal Club	Workshop	Debra Nestel	15/06/2017	13:45	Amphi Weiss
Simulation and Educational Neurobiology versus Educational Psychology. Complimentary Bedfellows or a Bridge Too Far?	Workshop	Natasha Taylor	15/06/2017	13:45	De Broglie B
Improving the Reliability of Simulation-based Assessments Using Frame of Reference Training	Workshop	Ross Scalese	15/06/2017	13:45	De Broglie C
Creating Resilient Teams Through Resilience Focused Debriefing	Workshop	Torben Nordahl-Amoroe	15/06/2017	13:45	Amphi Delmas
The Function and Impact of SP Feedback in the Debriefing of SP-Based Simulations: A Panel Discussion	Workshop	Valerie Fulmer	15/06/2017	13:45	Mendel C
Debriefing Team Interactions using Circular Questions	Workshop	Michaela Kolbe	15/06/2017	15:45	Mendel C
The Price is Right? How to Make Simulator Purchasing Decisions	Workshop	Paul OConnor	15/06/2017	15:45	De Broglie D
Bringing Non-Technical Skills (NTS) to Life by Making Them the Inner Voices of an Acting Person	Workshop	Peter Dieckmann	15/06/2017	15:45	De Broglie B
Everything You Wanted to Know About S*****, but Were NOT Afraid to Ask....	Workshop	Ron Brendel	15/06/2017	15:45	De Broglie C
Highlights of IMSH 2017 in Orlando	Workshop	Chad Epps	16/06/2017	09:00	De Broglie B
Bringing Your Simulation into an Attractive Scientific Program - Without the Need for Research Data	Workshop	Anna Abelson	16/06/2017	09:00	De Broglie A
A Workshop to Explore the Implementation of a Learning Management System for Nursing Students in Spain to Enhance their Simulation Based Education.	Workshop	Carmen Fernandez-Panadero	16/06/2017	09:00	De Broglie C
Non Violent Communication as a Foundation in Debriefing	Workshop	Elaine Sanden	16/06/2017	09:00	Mendel C
Hybrid Simulation and Bleeding Control. A Cost Effective Method to Improve Students' Technical and Non-Technical Skills.	Workshop	Michel Vergnion	16/06/2017	09:00	De Broglie D
Simulation: A Tool for Inducing Stress (and How to Alleviate That Stress).	Workshop	Natasha Taylor	16/06/2017	09:00	Mendel B
A Toolkit Approach to Develop Your Evaluation Strategies	Workshop	Tom Simpson	16/06/2017	09:00	Mendel A
Adding a Dose of Diversity. Finding opportunities to Add Diversity and Promote Situational Awareness Within Your Simulation-Based Curriculum.	Workshop	Amanda Chichester	16/06/2017	11:00	De Broglie B
Transform An Aviation Safety Tool Into Healthcare	Workshop	Bastian Grande	16/06/2017	11:00	De Broglie D
Standards for Simulation Based Education Relevance and Utility	Workshop	Makani Purva	16/06/2017	11:00	Amphi Weiss
Simulation Superheroes Approaches and Solutions to Seemingly Catastrophic Events During Simulation Trainings	Workshop	Marc Lazarovici	16/06/2017	11:00	De Broglie C
Debriefing Resuscitation Teams	Workshop	Walter Eppich	16/06/2017	11:00	Mendel C
Specific Research Challenges for the Strengthening and Diffusion of Digital Health Simulators	Workshop	Mohamed El Asri	16/06/2017	11:45	De Broglie A

ABSTRACTS

Abstract title	Format	Presenter	Date	Time	Room
Short Clinical Debriefings in the Operating Room	Research Studies	Anna Sofie Mundt	14/06/2017	14:30	De Broglie B
Use of the Relaxation Exercises for Standardized Patients After Portraying in Breaking Bad News Scenarios	Research Studies	Gamze Sarikoc	14/06/2017	14:30	Mendel B
What is More Effective Faculty Development for Busy Healthcare Educators?	Descriptive Studies	Gen Ouchi	14/06/2017	14:30	Mendel C
Walking in Patients' Shoes: Simulation Methods to Enhance Students Learning from the Experiences of Melanoma Patients	Research Studies	Gerard Gormley	14/06/2017	14:30	Mendel B
Scenario-based Simulation to Enhance Managerial Problem Solving and Decision Making Skills of Nurses	Descriptive Studies	Guillaume Alinier	14/06/2017	14:30	Mendel B
Mobile Simulation-Based Communication Training for a Trauma Team	Research Studies	Hanna Vuojarvi	14/06/2017	14:30	Mendel C
Breaking Bad News in the Emergency Department: A Randomized Controlled Study of a Short Training Course	Research Studies	Isabelle Bragard	14/06/2017	14:30	Mendel C
Awareness of Non-Technical Skills in Surgery (NOTSS): A National Survey	Research Studies	Jade Zhao	14/06/2017	14:30	De Broglie B
An Algorithm to Automatically Tune Cardiovascular Model Parameters on Patient-Specific Conditions	Research Studies	Libera Fresiello	14/06/2017	14:30	Mendel A
Performance Art and Simulation - A Groundbreaking Project	Descriptive Studies	Michael Stallard	14/06/2017	14:30	Mendel B
Delivering Simulation to Large Groups	Descriptive Studies	Natalie Thomas	14/06/2017	14:30	Mendel C
Seeing Eye-to-Eye: The Use of Body Worn Video Cameras for Debriefing.	Research Studies	Natasha Taylor	14/06/2017	14:30	De Broglie B
Simulation based Learning, A Pedagogical Tool to Change the Quality of Life at Work Among Professionals in Anesthesia and Intensive Care Unit.	Research Studies	Sebastien Couarraze	14/06/2017	14:30	Mendel B
Focusing on an Explicit Debriefing in Healthcare Simulation	Research Studies	Thierry Secheresse	14/06/2017	14:30	De Broglie B
Learning Theories and Pedagogical Grounding of Simulation-Based Healthcare Education	Research Studies	Tuulikki Keskitalo	14/06/2017	14:30	Mendel C
High Fidelity Simulation in Satellite Haemodialysis Units	Research Studies	Geoff Cross	14/06/2017	16:00	Amphi Binet
Learning from Both Sides of the Prescription: Community-Orientated Interprofessional Simulation based Learning	Research Studies	Gerard Gormley	14/06/2017	16:00	Amphi Binet
Simulation and Competences Developments to Leadership in Health	Research Studies	Jose Martins	14/06/2017	16:00	Amphi Binet
Communication in a Trauma Team: Focus on Leadership in Practice	Research Studies	Saana Korva	14/06/2017	16:00	Amphi Binet
SimMat, Simulation for Obstetrical Emergencies: Evaluation of an Interprofessional Education Program Including all Professionals in Charge of Pregnant Women.	Research Studies	Sara de Oliveira	14/06/2017	16:00	Amphi Binet
Enhancing Perioperative care in Gynaecology Through Simulation Training	Descriptive Studies	Sarah Platt	14/06/2017	16:00	Amphi Binet
Serious Game vs Brochure for Initial Nurse Training about Urinary Tract Infection Prevention	Descriptive Studies	Serge Marie	14/06/2017	16:00	Amphi Binet
CPR Personal Trainer: A Low-Cost Tool for CPR Self-Training	Research Studies	Carla Sa-Couto	15/06/2017	10:30	Amphi Binet
Development and Implementation of Physical Exam Vest for Simulation-Based Hybrids	Descriptive Studies	Dale Berg	15/06/2017	10:30	Amphi Binet
Performance Impact of Serious Game Training: An Example of 3D-SC1 for Forward Combat Casualty Care	Research Studies	Jerome Planchon	15/06/2017	10:30	Amphi Binet
A Mobile Audio-Visual Solution for in situ Simulation	Descriptive Studies	Kylie-Ellen Edwards	15/06/2017	10:30	Amphi Binet
A Novel Approach to Simulation Training for Foundation Year Doctors; Embracing New Technologies and Applying Learning Theory	Descriptive Studies	Marinos Pericleous	15/06/2017	10:30	Amphi Binet
Augmented and Virtual Reality in Neurosurgical Simulator Training	Research Studies	Sandrine de Ribaupierre	15/06/2017	10:30	Amphi Binet
How Can Precision Teaching Contribute to Simulation-Based Medical Education?	Descriptive Studies	Sinead Lydon	15/06/2017	10:30	Amphi Binet
Evaluation of Administration of Injectable Drugs and Vaccines for Pharmacists Course	Research Studies	Ana Sampaio	15/06/2017	13:45	Amphi Binet
Teaching Hemodynamic Modelling to Medical Students: Can Engineering Promote a Better Understanding of Physiology?	Descriptive Studies	Carla Sa-Couto	15/06/2017	13:45	Amphi Binet
Simulation-Based Longitudinal Musculoskeletal Physical Exam Curriculum	Descriptive Studies	Dale Berg	15/06/2017	13:45	Amphi Binet
Developing a Consultation Skills Programme for Junior Doctors Using Simulated Patients.	Descriptive Studies	David Wright	15/06/2017	13:45	Amphi Binet
Patients as Educators: Using Expert Patients to Improve the Validity of Simulation Training	Descriptive Studies	David Wright	15/06/2017	13:45	Amphi Binet
Medical Emergencies and Basic Life Support Course: 4-years Utility and Clinical Experience Impact in Pharmacists	Research Studies	Gustavo Norte	15/06/2017	13:45	Amphi Binet
Enhancing Medical Student Experiential Learning with an In-room Facilitated Introductory Session.	Descriptive Studies	Kylie-Ellen Edwards	15/06/2017	13:45	Amphi Binet
Putting Yourself in the Patient's Shoes	Descriptive Studies	Martyna Borowczyk	15/06/2017	13:45	Amphi Binet
Medical Students' Perception of Simulation-Based Assessment: A Focus Group Randomized Study.	Research Studies	Anne-Laure Philippon Cormier	15/06/2017	15:45	Amphi Binet
Effect of the Use of a Video Tutorial in Addition to Simulation in Learning the Maneuvers for Shoulder Dystocia.	Research Studies	Caroline Verhaeghe	15/06/2017	15:45	Amphi Binet
Development of a Trauma Team Performance Score Regarding the Initial Care of the Polytrauma Patient in Healthcare Simulation: The SIMUSHOCK-SCORE Study	Research Studies	Fouad Marhar	15/06/2017	15:45	Amphi Binet
There is a Need to Update Performance Assessment in High-Fidelity Simulation	Research Studies	Médéric Descoins	15/06/2017	15:45	Amphi Binet

ABSTRACTS

Abstract title	Format	Presenter	Date	Time	Room
Oral Presentations					
Proficiency Assessment in Endosurgery by Computer Analysis of the Video of BESTA Tasks.	Research Studies	Maxim Gorshkov	15/06/2017	15:45	Amphi Binet
An Electronic Cognitive Aid Improves the Management of Severe Gynaecological TURP Syndrome: A Prospective, Randomised Simulation Study	Research Studies	Michael St.Pierre	15/06/2017	15:45	Amphi Binet
An Electronic Cognitive Aid Improves the Management of ST-Elevation Myocardial Infarction During Caesarean Section: A Prospective Randomised Simulation Study	Research Studies	Michael St.Pierre	15/06/2017	15:45	Amphi Binet
Application of compressive therapy in simulated practice by nursing students	Research Studies	Veronica Coutinho	15/06/2017	15:45	Amphi Binet
Effectiveness of Learning Cardiopulmonary Murmurs Using Harvey Simulator	Research Studies	Anna Klimenko	16/06/2017	09:00	Amphi Binet
Psychological Morbidity of Women Experiencing Miscarriage: Impact of a Specific Counselling Training for Residents Using Simulation.	Research Studies	Caroline Verhaeghe	16/06/2017	09:00	Amphi Binet
Teamwork Training for Eclampsia Management	Descriptive Studies	Jaume Minano	16/06/2017	09:00	Amphi Binet
TracheoSimApp Enhancing Part-Task Simulation	Research Studies	Kassio Temperly	16/06/2017	09:00	Amphi Binet
Assessment of Newborn Resuscitation Skills: A Pilot Study Among Paediatric Residents Using High Fidelity Simulation	Research Studies	Luca Carengo	16/06/2017	09:00	Amphi Binet
The Human Factors Skills for Healthcare Instrument: A Valid and Reliable Assessment of Trainee Learning Following Clinical Simulation.	Research Studies	Mary Lavelle	16/06/2017	09:00	Amphi Binet
Six Month Feedback for Course Evaluation	Descriptive Studies	Michael Stallard	16/06/2017	09:00	Amphi Binet
Mednav Improving Teamwork in Emergencies	Research Studies	Pippa Letchworth	16/06/2017	09:00	Amphi Binet
Errors Observed During the Use of Defibrillator in Simulated Pediatric Patients	Research Studies	Claudio Perretta	16/06/2017	11:00	Amphi Binet
Fatigue During Chest Compressions on a Neonatal Simulator	Research Studies	Claudio Perretta	16/06/2017	11:00	Amphi Binet
Perceived Errors in Physical Examination Resulting in Negative Impact on Quality of Care Preliminary Results of a Survey of Matriculating Interns	Research Studies	Dale Berg	16/06/2017	11:00	Amphi Binet
LaryngoSim	Research Studies	Daphne Michelet	16/06/2017	11:00	Amphi Binet
Simulation as a Necessary and Suitable Vehicle for Maintaining Confidence in Pediatric Anaesthesia Following Pediatric Specialist Training	Research Studies	David Greaney	16/06/2017	11:00	Amphi Binet
Resuscitation Teamwork in a Simulated Environment	Research Studies	Leila Niemi-Murola	16/06/2017	11:00	Amphi Binet
How We Create RRF-ECMO Procedure	Descriptive Studies	Mateusz Puslecki	16/06/2017	11:00	Amphi Binet
Poster Presentations					
Hi-Fi Simulation and Teamwork Training: What is it Good For?	Research Studies	Aline Gillet	15/06/2017	08:30	Foyer Du Personnel PB33
Fostering STEM-Disciplines with High-Fidelity Human Patient Simulation.	Descriptive Studies	Amanda Chichester	15/06/2017	08:30	Foyer Du Personnel PB55
Impact of Learner's Role (Active Participant-Observer or Observer Only) on Learning Outcomes During High-Fidelity Simulation Sessions in Anaesthesia: Single Centre, Prospective and Randomised Study.	Research Studies	Antonia Blanie	15/06/2017	08:30	Foyer Du Personnel PB12
U Can't Touch This a Simulation Intervention To Increase Speaking-Up Behaviour for Improving Hand Hygiene.	Descriptive Studies	Bastian Grande	15/06/2017	08:30	Foyer Du Personnel PB67
Training Communication Skills and Clinical Reasoning in Paediatrics Clerkship Through GOSCE	Descriptive Studies	Carla Sa-Couto	15/06/2017	08:30	Foyer Du Personnel PB39
Visualization as a Reflection Technique in the Learning Process. A Qualitative Approach.	Descriptive Studies	Carolina Bustamante	15/06/2017	08:30	Foyer Du Personnel PB57
Debriefing Assessment for Simulation in Healthcare In Fine Needle Aspiration Cytology. Single Centre Experience	Descriptive Studies	Eduardo Alcaraz-Mateos	15/06/2017	08:30	Foyer Du Personnel PB5
Medical Simulation in Gross Examination.	Descriptive Studies	Eduardo Alcaraz-Mateos	15/06/2017	08:30	Foyer Du Personnel PB41
Sim is Stressful!	Descriptive Studies	Elizabeth Coyle	15/06/2017	08:30	Foyer Du Personnel PB30
Tools and Strategies Used for the Assessment of Competences in Simulated Clinical Activities	Descriptive Studies	Fernanda Miranda	15/06/2017	08:30	Foyer Du Personnel PB4
Simulation and Performances in the Theatre of OSCEs: An Exploration of Context, Roles and Social Dynamics in OSCEs	Research Studies	Gerard Gormley	15/06/2017	08:30	Foyer Du Personnel PB15
The Mountains and the Forest Environment as Unsafe Working Conditions. The First Aid Workshop in a Dangerous Workplace, Implementing Medical Simulation Techniques, Using the Principles of Civil and Tactical Emergency Guidelines.	Descriptive Studies	Grzegorz Witkowski	15/06/2017	08:30	Foyer Du Personnel PB11
Students Self-Confidence in Maternal-Infant Simulation	Research Studies	Guilherme Brasil	15/06/2017	08:30	Foyer Du Personnel PB3
Scrub-Up I Simulation Competition for Medical Students in Portugal	Descriptive Studies	Gustavo Norte	15/06/2017	08:30	Foyer Du Personnel PB43
Medical Simulation in Italy: Preliminary Results of a Nationwide Survey	Descriptive Studies	Luca Carengo	15/06/2017	08:30	Foyer Du Personnel PB29
How We Create DCD-ECMO Procedures	Descriptive Studies	Mateusz Puslecki	15/06/2017	08:30	Foyer Du Personnel PB68
How We Create Hypothermia-ECMO Procedure	Descriptive Studies	Mateusz Puslecki	15/06/2017	08:30	Foyer Du Personnel PB66
How We Create Intoxication-ECMO Procedure	Descriptive Studies	Mateusz Puslecki	15/06/2017	08:30	Foyer Du Personnel PB64
Competency Education and Simulation: The Methodology of the Objective Structured Clinical Examination in Medicine	Descriptive Studies	Rocio Vargas	15/06/2017	08:30	Foyer Du Personnel PB2
Effects of the Strategy Advanced Clinical Simulation in the Structuring of Professional Competence Nursing Communication	Research Studies	Samuel Soares	15/06/2017	08:30	Foyer Du Personnel PB1
Develop and Validate an Assessment Tool for Tracheal Intubation Checklist or Global Rating Scale?	Research Studies	Sara Gomes	15/06/2017	08:30	Foyer Du Personnel PB13

ABSTRACTS

Abstract title	Format	Presenter	Date	Time	Room
Multi-Dimensional Evaluation of A Gynecological Teaching Associate Program in the Graduate Nursing Curriculum in Turkey	Research Studies	Senay Sarmasoglu	15/06/2017	08:30	Foyer Du Personnel PB31
Curricular Integration in a Medical School Simulation Center Lessons Learned	Descriptive Studies	Szederjesi Janos	15/06/2017	08:30	Foyer Du Personnel PB40
Program for Nursing Students to Achieve Simulation Competence	Descriptive Studies	Terje Odegarden	15/06/2017	08:30	Foyer Du Personnel PB58
Designing a Paediatric Sepsis 6 Simulation Course to Improve Acute Care Management of the Critically Unwell Child	Descriptive Studies	Vaughan Holm	15/06/2017	08:30	Foyer Du Personnel PB65
Neonatology Simulation Based Training Efficacy in Undergraduate Students	Research Studies	Volodymyr Artyomenko	15/06/2017	08:30	Foyer Du Personnel PB14
New Simulation-Based Curriculum for Undergraduate Students at Odessa National Medical University	Descriptive Studies	Volodymyr Artyomenko	15/06/2017	08:30	Foyer Du Personnel PB42
Tutor Support System Functioning During Simulation Medical Education	Descriptive Studies	Volodymyr Artyomenko	15/06/2017	08:30	Foyer Du Personnel PB56
A Mobile Audio-Visual Solution for In-Situ Simulation	Descriptive Studies	Kylie-Ellen Edwards	15/06/2017	10:30	Amphi Binet
Enhancing Medical Student Experiential Learning With an In-Room Facilitated Introductory Session.	Descriptive Studies	Kylie-Ellen Edwards	15/06/2017	13:45	Amphi Binet
The Evaluation of a Pilot Simulation-Based Critical Incident Station in a National Postgraduate Anaesthesia Exam	Research Studies	Aine Cafferkey	16/06/2017	08:30	Foyer Du Personnel PB16
A Model of Respiratory System	Research Studies	Burce Irem Kahraman	16/06/2017	08:30	Foyer Du Personnel PB18
Impact of Collection Bag for Bleeding Estimation After Spontaneous Vaginal Delivery	Descriptive Studies	Caroline Verhaeghe	16/06/2017	08:30	Foyer Du Personnel PB8
Interdisciplinary Simulation-Based Team Training During the World Economic Forum (WEF) 2017 in Davos	Descriptive Studies	Christoph Elbl	16/06/2017	08:30	Foyer Du Personnel PB70
Can Simulation-Based Introduction for New Employees Improve Patient Safety?	Descriptive Studies	Eva Stuart	16/06/2017	08:30	Foyer Du Personnel PB71
New Possibilities for Training Cervical Incompetence Treatment Skills	Descriptive Studies	Evgeny Ripp	16/06/2017	08:30	Foyer Du Personnel PB96
La Simulation: Un outil innovant pour modifier les représentations des futurs soignants sur la santé mentale et mieux appréhender le stage en psychiatrie chez les étudiants paramédicaux.	Descriptive Studies	Francisco Guevara	16/06/2017	08:30	Foyer Du Personnel PB38
Design of a Consensus-Based Scenario Template for Use in Full-Scale Simulation-Based Education in Healthcare	Research Studies	Guillaume Alinier	16/06/2017	08:30	Foyer Du Personnel PB34
Lumbar Puncture Simulation Training Improves Students' Performance for Patient Procedure.	Research Studies	Guillaume Ficheux	16/06/2017	08:30	Foyer Du Personnel PB54
Developing Concept on Neuroresuscitation Simulation Training for the Era of Integrated Community Care System in Japan	Descriptive Studies	Hiroshi Okudera	16/06/2017	08:30	Foyer Du Personnel PB69
Evaluation of Non-Technical Skills for Doctors During Internship An Ongoing Project	Descriptive Studies	Kenneth Krarup	16/06/2017	08:30	Foyer Du Personnel PB19
Simulation on the Move Lessons Learnt After Delivering External Simulation Courses on Mental Health Crisis in the Emergency Department	Descriptive Studies	Lorena Valdearenas	16/06/2017	08:30	Foyer Du Personnel PB53
How to Effectively Link Pre-Clinical and Clinical Skills in Simulation Center?	Descriptive Studies	Martyna Borowczyk	16/06/2017	08:30	Foyer Du Personnel PB36
Observational Analysis of Interprofessional Teamwork in Clinical Simulation	Descriptive Studies	Mary Lavelle	16/06/2017	08:30	Foyer Du Personnel PB9
Dementia Awareness Getting into the shoes of the individual	Research Studies	Michelle O'Reilly	16/06/2017	08:30	Foyer Du Personnel PB35
Preparing Undergraduate Students for Theatre	Descriptive Studies	Naren Bhimsan	16/06/2017	08:30	Foyer Du Personnel PB37
Questionnaire Based Validation to Assess the Quality of Cost-Effective Artificial Bones in Orthopedic Surgical Simulation-Based Training.	Descriptive Studies	Paul Kunzle	16/06/2017	08:30	Foyer Du Personnel PB10
The Use of WeChat as a Future Simulation Education Method: The Network Platform Application in Pedagogy and Chinese Experiences	Descriptive Studies	Ruijun Pan	16/06/2017	08:30	Foyer Du Personnel PB97
Safe Implementation of New Sepsis Criteria	Descriptive Studies	Susanne Christoffersen	16/06/2017	08:30	Foyer Du Personnel PB73
Developing Low-Threshold Introduction Course to Simulation for Medical Teachers and Peer-Tutors	Descriptive Studies	Teemu Masalin	16/06/2017	08:30	Foyer Du Personnel PB7
Simulation Education for MS2 Students at St. George's University, Grenada	Descriptive Studies	Theresa McCann	16/06/2017	08:30	Foyer Du Personnel PB6
Medical Simulation in Psychiatric Healthcare	Descriptive Studies	Thor Egil Holtskog	16/06/2017	08:30	Foyer Du Personnel PB72
Emotional Burning Syndrome Signs Identification During Medical Simulation	Research Studies	Volodymyr Artyomenko	16/06/2017	08:30	Foyer Du Personnel PB99
Low-Cost Mannequin Model for Thoracoscopy Practical Training	Descriptive Studies	Volodymyr Artyomenko	16/06/2017	08:30	Foyer Du Personnel PB98
New Assessment System in Residents' Hysteroscopy Simulation Training	Research Studies	Volodymyr Artyomenko	16/06/2017	08:30	Foyer Du Personnel PB17
The Role of Simulation Training for the Military Medical Practice and the Combat Experience Resulting Impact on Simulation Education in Ukraine	Descriptive Studies	Volodymyr Artyomenko	16/06/2017	08:30	Foyer Du Personnel PB52
Basic Surgical Skills Teaching in a Simulation Center	Descriptive Studies	Yohan Kerbage	16/06/2017	08:30	Foyer Du Personnel PB51
A Low-Cost Artificial Skin for Replacement in Medical Simulators	Research Studies	Cecilia Yaegashi	16/06/2017	12:30	Foyer Du Personnel PB60
TracheoSim: A Low-Cost Tracheostomy Simulator	Research Studies	Cecilia Yaegashi	16/06/2017	12:30	Foyer Du Personnel PB61
Impact of a Feedback Device on Chest Compressions Quality Over Time: A Randomized Crossover Study on Manikin	Research Studies	Clement Buleon	16/06/2017	12:30	Foyer Du Personnel PB82
Multi Simultaneous In Situ Simulation in Operating Theatres: Just a Challenge or a Real Training Model?	Descriptive Studies	Clement Buleon	16/06/2017	12:30	Foyer Du Personnel PB91
New Approaches to Improving Ward Staffs Verbal and Non-Verbal Skills - A Hybrid Simulation Curriculum	Descriptive Studies	Colette Laws-Chapman	16/06/2017	12:30	Foyer Du Personnel PB44
Nurturing Nurses the Nightingale Programme Reducing Variation, Improving Patient Safety	Research Studies	Colette Laws-Chapman	16/06/2017	12:30	Foyer Du Personnel PB83

ABSTRACTS

Abstract title	Format	Presenter	Date	Time	Room
Assessment of Technical and Non-Technical Skills in a High-Fidelity Scenario: Agreement Between Raters	Research Studies	Dario Cecilio Fernandes	16/06/2017	12:30	Foyer Du Personnel PB22
NurSim: Practical Internship Development Through Simulation	Descriptive Studies	Denise Villikka	16/06/2017	12:30	Foyer Du Personnel PB49
Continuing Education for Technicians in Rapid On-Site Evaluation Cytology. Simulation Pilot Experience.	Descriptive Studies	Eduardo Alcaraz-Mateos	16/06/2017	12:30	Foyer Du Personnel PB79
Simulation Strategy and the Development of the Competencies in Nursing Education: The Measurement of the Knowledges	Research Studies	Elaine Cristina Carvalho Moura	16/06/2017	12:30	Foyer Du Personnel PB24
Surgical Patient Flow at the Core of Surgical Skills Training: A New Perspective on Teaching Surgical Skills	Descriptive Studies	Erik Groot Jebbink	16/06/2017	12:30	Foyer Du Personnel PB45
High Fidelity Laparoscopic Simulation Training: Long Term Basic Skills Retention and Transfer to Procedural Skills	Research Studies	Francoise Schmitt	16/06/2017	12:30	Foyer Du Personnel PB81
The Employment of Simulated Scenarios in Nursing as a Teaching Strategy in the Maternal-Infant Field	Research Studies	Guilherme Brasil	16/06/2017	12:30	Foyer Du Personnel PB23
Can Non Technical Skills Survive to Disaster Medicine ?	Descriptive Studies	Guillaume Der Sahakian	16/06/2017	12:30	Foyer Du Personnel PB89
A Conceptual Framework for Simulation in Healthcare Education	Research Studies	Irwyn Shepherd	16/06/2017	12:30	Foyer Du Personnel PB48
Acceptability of the Fundamentals of Laparoscopic Surgery (FLS) programme tasks for Urology trainees	Research Studies	Jane Hendry	16/06/2017	12:30	Foyer Du Personnel PB21
Use of Obstetrical Simulation to Improve Patient Care in High Risk Situations	Descriptive Studies	Jason DeWitt	16/06/2017	12:30	Foyer Du Personnel PB90
ParaSIMthesis: A Low-Cost Parecentesis Simulator	Research Studies	Kassio Temperly	16/06/2017	12:30	Foyer Du Personnel PB59
The Day of the Tech: How to Increase Support and Program Success Through Additional Technical Staff	Descriptive Studies	lance baily	16/06/2017	12:30	Foyer Du Personnel PB63
CytoSimu: A High-Fidelity Simulated Cytotoxic Drug Preparation Unit (CDPU) for Pharmaceutical Staff Education	Descriptive Studies	Marie Darrodes	16/06/2017	12:30	Foyer Du Personnel PB62
When You Hear Hoofbeats, Think of Horses not Zebras	Descriptive Studies	Martyna Borowczyk	16/06/2017	12:30	Foyer Du Personnel PB47
Near-Peer Interprofessional Simulation Training	Descriptive Studies	Matthew Young	16/06/2017	12:30	Foyer Du Personnel PB88
The Effect of Simulation-Based Learning on the Performance and Stress Levels of Novice Surgeons While Performing a Circumcision Procedure for the First Time: A Pilot Study	Research Studies	Rana Sharara-Chami	16/06/2017	12:30	Foyer Du Personnel PB20
The Use of WeChat to Improve Teaching Efficiency: The Social Network Platform Application in Surgical Hands-On Curriculum	Descriptive Studies	Ruijun Pan	16/06/2017	12:30	Foyer Du Personnel PB46
Human Error in Practical Procedures.	Research Studies	Seema Nathoo	16/06/2017	12:30	Foyer Du Personnel PB80
A Preliminary Result of Mobile Technology Assisted CPR Training for Secondary Vocational School.	Research Studies	Arif Onan	16/06/2017	13:00	Foyer Du Personnel PB100
A 2-Element Windkessel Model	Research Studies	Ayca Ertan	16/06/2017	13:00	Foyer Du Personnel PB103
Classical Approach to ALS Algorithm Teaching Versus Custom-Designed ALS- Serious Game for First Year Nursing Students	Research Studies	Beata Wudarska	16/06/2017	13:00	Foyer Du Personnel PB101
Training in the Simulation Center or In Situ What is Better?	Research Studies	Evgeny Ripp	16/06/2017	13:00	Foyer Du Personnel PB84
Dr	Research Studies	Fouad Marhar	16/06/2017	13:00	Foyer Du Personnel PB27
Modification of KIDUKI Trainig System for Patient Safety in Integrated Community Care System in Japan	Descriptive Studies	Hiroshi Okudera	16/06/2017	13:00	Foyer Du Personnel PB74
Validation of Heart Rate Variability Monitoring in High Fidelity Cardiac Arrest Simulation Training in PRESAGE Simulation Center	Research Studies	Lea Satre Buisson	16/06/2017	13:00	Foyer Du Personnel PB102
Let's Work Together To Improve Patient Safety	Descriptive Studies	Liv Skinnen	16/06/2017	13:00	Foyer Du Personnel PB75
Simulation Competitions as a Medical Education Tool	Descriptive Studies	Luca Carengo	16/06/2017	13:00	Foyer Du Personnel PB93
Evaluation of an Interprofessional Team Training Program from a Surgical Ward in Norway	Research Studies	Oddveig Aaberg	16/06/2017	13:00	Foyer Du Personnel PB95
Multi-Disciplinary Training in Obstetrics and Gynaecology: A Six Year Commitment to Teaching.	Descriptive Studies	Pippa Letchworth	16/06/2017	13:00	Foyer Du Personnel PB86
Gains Perceived With Medium and High-Fidelity Simulation: A Randomized Controlled Trial	Research Studies	Rui Baptista	16/06/2017	13:00	Foyer Du Personnel PB25
Incorporating the Patient's Experience of Trauma Care in Medical Simulation.	Descriptive Studies	Samuel Maese	16/06/2017	13:00	Foyer Du Personnel PB78
Barriers to Multidisciplinary Team Ward-Based Training and How to Overcome Them.	Descriptive Studies	Sarah Cassie	16/06/2017	13:00	Foyer Du Personnel PB92
Multidisciplinary Team Training in Obstetric Emergencies Based in High-Fidelity Simulation: Experience of 7 Workshops.	Descriptive Studies	Silvia Ferrero	16/06/2017	13:00	Foyer Du Personnel PB94
Clinical Simulation - Experience of an Island	Descriptive Studies	Sofia Nobrega	16/06/2017	13:00	Foyer Du Personnel PB85
Towards Positive Simulation Learning in Faculty of Medicine, University of Helsinki	Descriptive Studies	Teemu Masalin	16/06/2017	13:00	Foyer Du Personnel PB26
Is Medical Simulation Needed in Teaching of Pediatrics ?	Research Studies	Tomasz Bielecki	16/06/2017	13:00	Foyer Du Personnel PB28
The ASK Course: Is Our Practice Safe and Could We Justify it in Court?	Descriptive Studies	Vaughan Holm	16/06/2017	13:00	Foyer Du Personnel PB77
Simulation Training: How to Provide Medical Care to the Language Barrier in Obstetric Hospital?	Descriptive Studies	Vladislava Sukhovskaya	16/06/2017	13:00	Foyer Du Personnel PB87
The Role of Medical Simulation Technologies in CME of Stroke Unit Staff	Descriptive Studies	Volodymyr Artyomenko	16/06/2017	13:00	Foyer Du Personnel PB76
