SESAM 2019 ANNUAL MEETING – FULL PROGRAMME

WEDNESDAY, 12 JUNE 2019

TIME	CHARLES OAKLEY C001	GEORGE MOORE M137	GEORGE MOORE M323	HAMISH WOOD W110	HAMISH WOOD W001	HAMISH WOOD W002	HAMISH WOOD W003	HAMISH WOOD W004	GEORGE MOORE M228	GEORGE MOORE M230	GEORGE MOORE M232
10:00	SESAM Welcome Ceremony										
10:30	Lou Oberndorf Keynote Lecture Jessica Mesman [More Info] *Opening up the Mundane as a Learning Space: An Exnovative Perspective on Simulation*										
11:30	Break										
11:45	**SESSION 1A Oral Presentations** *Patient Safety/ Quality Improvement* [More Info]			**SESSION 1B Oral Presentations** *Miscellaneous* [More Info]	**SESAM Accreditation Group Workshop** **(Members Only)**		**Workshop 1A** *Data-driven learning: helping trainees interpret assessment data generated by simulators* [More Info]	**Workshop 1B** *Money isn't everything, but everything needs money - some financial aspects of simulation* [More Info]	**Workshop 1C** *DASH to Faculty Development* [More Info]	**PH-SIG Invited Expert Panel** *Integration of simulation in pre- and post-graduation prehospital care education*	**Workshop 1D** *Preparing health professionals for challenging conversations with simulated participants (SPs)* [More Info]
13:15	Lunch & Exhibition										
14:15	**SESSION 2A ePosters** *Curriculum Development* [More Info]		**SESAM Accreditation Group Workshop**	**SESSION 2B Oral Presentations** *New Technology & Innovations* [More Info]	**Standardized Patient SIG Workshop** *Enriching your SIM with SPs*	**Workshop 2A** *Best practice in SP methodology basics* [More Info]	**IRIS Industry Workshop** *Collaborative scenario authoring with the iRIS Simulation Authoring Platform* [More Info]	**Workshop 2B** *When the emotional responses of trainees should be debriefed (and when they shouldn't...)* [More Info]	**IPSS Invited Workshop** *Tele-simulation: How to facilitate a simulation when equipment and facilitator are apart* [More Info]	**Workshop 2C** *Create the optimal experiential learning environment: The critical importance of psychological safety* [More Info]	**Workshop 2D** *When is this true? Exploring when and where non-technical skills work in which way* [More Info]
15:45	Break										

SESAM 2019 ANNUAL MEETING – FULL PROGRAMME

WEDNESDAY, 12 JUNE 2019

TIME	CHARLES OAKLEY C001	GEORGE MOORE M137	GEORGE MOORE M323	HAMISH WOOD W110	HAMISH WOOD W001	HAMISH WOOD W002	HAMISH WOOD W003	HAMISH WOOD W004	GEORGE MOORE M228	GEORGE MOORE M230	GEORGE MOORE M232
16:00	**SESSION 3A ePosters** *Interprofessional/Team Education* [More Info]	**SESSION 3B Oral Presentations** *Curriculum Development* [More Info]		**SESSION 3C Oral Presentations** *Curriculum Development/ New Technology & Innovation* [More Info]	**Workshop 3A** *'The stuff of life…': working with simulated participants in designing challenging communication simulations; A panel discussion* [More Info]	**Workshop 3B** *How to implement debriefing in clinical environments using the TALK framework* [More Info]		**SESAM Educational Institutions Network**	**IPSS Invited Workshop** *Explanatory Models in Neonatal Intensive Care*	**Workshop 3C** *Virtual reality for dementia awareness* [More Info]	
17:30	Break										
18:00	State-of-the-Art Lecture Steven Yule [More Info] *From Glasgow to Mars: The Harvard Approach to Interdisciplinary Team Training*										

SESAM 2019 ANNUAL MEETING – FULL PROGRAMME

THURSDAY, 13 JUNE 2019

TIME	CHARLES OAKLEY C001	GEORGE MOORE M137	GEORGE MOORE M323	HAMISH WOOD W110	HAMISH WOOD W001	HAMISH WOOD W002	HAMISH WOOD W003	HAMISH WOOD W004	GEORGE MOORE M228	GEORGE MOORE M230	GEORGE MOORE M232
09:00	SESAM Welcome										
09:15	Keynote Lecture KT Waxman [More Info] *Leading in Simulation: Interprofessional team training*										
10:00	Break										
10:30	**SESSION 4A Oral Presentations** *Interprofessional/Team Education* [More Info]			**Workshop 4A** *Reporting guidelines for simulation-based research in healthcare: How to write and report a simulation-based research study* [More Info]	**Workshop 4B** *Enhancing authentic SP based OSCE stations: Harnessing techniques and technologies from the discipline of simulation* [More Info]	**Workshop 4C** *National assessment, of individual within a team: organization, role in CBME, lessons and future directions* [More Info]	**Workshop 4D** *From problem solving to organisational innovation-designing simulation scenarios and debriefings for critical engagement in the organization* [More Info]	**Workshop 4E** *Developing standards for safety procedures in SP based education* [More Info]	**PH-SIG Invited Expert Panel** *Mass casualty pre-hospital scenarios: Sharing our experiences* [More Info]	**CAE Industry Workshop**	**Workshop 4F** *Simulation beyond education: highly realistic scenarios for the design and analysis of work spaces and procedures* [More Info]
12:00	Lunch & Exhibition										
12:15	SESAM General Assembly (Members Only)										
13:45	Hot Topic Lecture **Bob Armstrong** *Ethics in Simulation*										

SESAM 2019 ANNUAL MEETING – FULL PROGRAMME

THURSDAY, 13 JUNE 2019

TIME	CHARLES OAKLEY C001	GEORGE MOORE M137	GEORGE MOORE M323	HAMISH WOOD W110	HAMISH WOOD W001	HAMISH WOOD W002	HAMISH WOOD W003	HAMISH WOOD W004	GEORGE MOORE M228	GEORGE MOORE M230	GEORGE MOORE M232
14:15	**SESSION 5A ePosters** *Miscellaneous* [More Info]	**SESSION 5B Oral Presentations** *Patient Safety/ Quality Improvement* [More Info]	**SESAM Research Network** Inaugural Meeting *All Invited*	**SESSION 5C Oral Presentations** *Interprofes-sional/ Team Education* [More Info]	**Invited SIG Workshop** *European Approach for SP Methodology*		**Workshop 5A** *FIRST DATE with the simulator: the importance of a structured familiarization as a critical step ahead of a simulation scenario* [More Info]	**Workshop 5B** *Enriching simulation teaching with quizzes, voting and instant feedback* [More Info]	**Workshop 5C** *Setting up Simulations across the cancer pathway - from primary care to carers and end of life care* [More Info]	**Workshop 5D** *Traumatic cardiac arrest simulation* [More Info]	**Workshop 5E** *Integrating cultural diversity into simulation education* [More Info]
15:45	Break										
16:15	**SESSION 6A ePosters** *Patient Safety/ Quality Improvement* [More Info]	**SESSION 6B Oral Presentations** *Curriculum Development* [More Info]	**SESAM Research Network** Inaugural Meeting *All Invited*	**SESSION 6C Oral Presentations** *Faculty Development & Interprofes-sional/ Team Education* [More Info]	**Workshop 6A** *Debriefing: From simulation to reality* [More Info]	**PH-SIG General Assembly**	**Workshop 6B** *Live.Die.Repeat: Our Experiences of Gamification in Simulation* [More Info]	**Workshop 6C** *Innovation meets conversation: Our challenging journey into virtual reality debriefing* [More Info]	**Workshop 6D** *Using communities of practice to assist faculty to implement simulation-based education in the workplace* [More Info]	**Workshop 6E** *Virtual reality simulation- why and how* [More Info]	**Workshop 6F** *The liquid facilitator in the simulation training* [More Info]
17:45	Break										
18:00	State-of-the-Art Session Ryan Brydges [More Info] *Experts Make the Best Teachers, and Other Urban Myths of Education*										

SESAM 2019 ANNUAL MEETING – FULL PROGRAMME

FRIDAY, 14 JUNE 2019

TIME	CHARLES OAKLEY C001	GEORGE MOORE M137	GEORGE MOORE M323	HAMISH WOOD W110	HAMISH WOOD W001	HAMISH WOOD W002	HAMISH WOOD W003	HAMISH WOOD W004	GEORGE MOORE M228	GEORGE MOORE M230	DEPROSE
09:00	SESAM Welcome										
09:15	Keynote Lecture Christopher Hampson [More Info] *Practise Does Not Make Perfect*										
10:00	Break										
10:30		**SESSION 7A ePosters** *Miscellaneous* [More Info]	**SESSION 7B Oral Presentations** *Assessment Using Simulation* [More Info]	**SESSION 7C ePosters** *Miscellaneous* [More Info]		**Workshop 7A** *International Fellowship in human simulation. -the next step for faculty development* [More Info]				**Workshop 7B** *Pearls for research: raising the bar for studies of simulation-based education* [More Info]		
12:00			SCSN Annual Meeting (SCSN Members Only)	Lunch & Exhibition							
13:15			**BEST ABSTRACTS SESSION** [More Info]		**Workshop 8A** *One process of teaching ultrasound image evaluation by using image examples to guide assessment of non-experts including standardised patients (SPs)* [More Info]			**Workshop 8B** *The Medi-StuNTS system: A behavioural marker system for Medical Students Non-Technical Skills within immersive simulation* [More Info]	**Workshop 8C** *The development of Virtual Reality Tools for urgent medical care.* [More Info]		**SimUniversity Finals**
14:45	Break										

SESAM 2019 ANNUAL MEETING – FULL PROGRAMME

FRIDAY, 14 JUNE 2019

TIME	CHARLES OAKLEY C001	GEORGE MOORE M137	GEORGE MOORE M323	HAMISH WOOD W110	HAMISH WOOD W001	HAMISH WOOD W002	HAMISH WOOD W003	HAMISH WOOD W004	GEORGE MOORE M228	GEORGE MOORE M230	DEPROSE
15:15	State-of-the-Art Lecture Jean Ker [More Info] *Creating a sustainable interprofessional model of simulation based education to support remote and rural healthcare teams*										
16:00	Prizes & Awards
