EDUCATION

09/2019 - now

SIME Healthcare Simulation, doctoral degree programme at Simulation Center of Masaryk University Brno, Faculty of Medicine

Topic: Simulation Training in Identification and Prevention of Critical Events in Anaesthesia and Intensive Care

2018 - 2022

Residency programme in Anaesthesiology and Intensive Care Medicine
University Hospital, Brno, Czech Republic

2010-2016

Medical Faculty- General Medicine Degree
Masaryk University, Brno Czech Republic

TRAINING, INTERNSHIP

06/2021 Simulation internship: The Human Simulation Center (HSC), Institute of Emergency Medicine, University Clinic of the Ludwig-Maximilians-University Munich, Germany

02/2017 - 02/2018

Research Assistant at PICU Royal Children's Hospital, Melbourne, Australia

11/2016

Clinical Internship at ICU Austin Hospital, Melbourne Australia

REFERENCE CONTACTS:

prof. Petr Stourac, M.D., Ph.D., MBA, FESAIC
Head of Department of Simulation Medicine
Simulation Center of Masaryk University
Brno, Czech Republic
Vice-Dean for Development and Studies
stourac@med.muni.cz

assoc. prof. Ralf Krage, M.D., Ph.D.
Director of the KHMSC simulation center
Consultant anesthesiologist
Mohammed Bin Rashid University of Medicine
and Health Sciences, Dubai, UAE
ralf.krage@mbru.ac.ae

COURSES, DIPLOMAS, PROJECTS

02-03/2023 The Master Debriefing Course, The Debriefing Academy

10/2022 Diplomat of European Diploma of Anaesthesia and Intensive Care (EDAIC)

5/2022 ABCDE- in house debriefing course lector

Simulation Center of Masaryk University, Brno

2/2022- ongoing

CLUEDUP international project Escape Room Elements in Collaborative Learning Methods (ERASMUS cooperation with AUTH- Greece, SGUL- UK)

10/2019 Train the Trainer Course, AMC, Linz, Austria

2019 European Paediatric Life Support (EPALS), Advance Trauma Life Support (ATLS)

11/2018-10/2019

Creating Scenario-Based Learning and Virtual Patients Scenarios- international project (cooperation with University of Iasi, Romania, SGUL - UK)

03/2017 Train the Trainer, Royal Children's Hospital, Melbourne, Australia

TEACHING EXPERIENCE

ESAIC E-learning Trainee Committee Representative (2020-2022)

European Resuscitation Council (ERC) full instructor EPALS (from 2021)

Assistant for Medical Students' Education at Masaryk University

PBL/TBL Content Expert, author of TBL lectures, co-author of curriculum

Top Management of educational portal AKUTNE.EU

Simulator educator (Train the Trainer, Debriefing Course for Simulation Medicine)
